**Re: Shane McComb**

It is with profound sadness that I notify you of the passing of our friend and colleague Shane McComb, on Friday, June 24<sup>th</sup>, 2016 while attending a race at Mosport Raceway.

Shane got into the business of construction and operating equipment as a teenager working on many different jobsites in Ireland, Europe, the Middle East, Far East and Africa. He came to Canada, from Ireland, in 1986, and worked in the Sewer and Watermain sector for many contractors in Northern Ontario, Hamilton, and Toronto Areas.

Shane was a very proud 28-year member of Local 793. He began his career with Operating Engineers Training Institute of Ontario working as a Training Instructor from January 1990 through until November 1999. In 2003, Shane became a business representative and worked tirelessly for the membership as both a Business Representative and Dispatcher.

Shane was appointed to the position of Guard on November 4<sup>th</sup>, 2011 and was re-elected in September 2012.

Most recently, in November 2015, he was appointed as our Provincial Health & Safety Co-ordinator and approached his new position with fervent dedication.

Shane will be sorely missed. May he rest in peace.
