# Memo

**To:** Local 793 Area Offices  
**From:** Joe Redshaw  
**CC:** Joe Dowdall; Brian Alexander  
**Date:** October 10, 2018  
**Re:** Local 793 By-Law Proposals

---

Following the 2018 General Convention, Local 793 will be conducting a review of its current by-laws and will be asking for proposals at the district meetings during the months of January and February, 2019.

Proposals shall be made at the district meetings in the form of a recommendation. They must have a seconder followed by a vote of the members present. Those recommendations in the majority shall be forwarded to my attention, and those in the minority shall be recorded in the minutes.

The Business Manager will appoint a by-law review committee to consider all proposals, and make a recommendation to the Executive Board at a future meeting, once they have completed their review.

Further note, any recommendations that are in conflict with the I.U.O.E. Constitution, Federal or Provincial laws will not be considered by the committee.

Sincerely,

Joe Redshaw  
President
